Hess Midstream Partners LP Announces Closing of \$550 Million of Senior Notes Due 2028

HOUSTON, December 10, 2019 – Hess Midstream Partners LP (“HESM”) today announced the closing of its offering of \$550 million aggregate principal amount of 5.125% senior notes due 2028 (the “Notes”) at par. HESM intends to use the net proceeds from the offering to finance the acquisition of Hess Infrastructure Partners LP (“HIP”), including to repay borrowings under HIP’s credit facilities, partially fund the distribution to HIP’s sponsors, and pay related fees and expenses.

The Notes are being sold only to “qualified institutional buyers” in the United States pursuant to Rule 144A and outside the United States to non-U.S. Persons in compliance with Regulation S under the Securities Act of 1933, as amended (the “Securities Act”). The Notes have not been and will not be registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements of the Securities Act and applicable state laws.

This press release is neither an offer to sell nor a solicitation of an offer to buy the Notes or any other securities and shall not constitute an offer to sell or a solicitation of an offer to buy, or a sale of, the Notes or any other securities in any jurisdiction in which such offer, solicitation or sale is unlawful.

About HESM

CAUTIONARY STATEMENT REGARDING FORWARD-LOOKING STATEMENTS

This filing contains forward-looking statements within the meaning of federal securities laws regarding Hess Midstream Partners LP (the "Company"). These forward-looking statements relate to, among other things, the proposed transaction between the Company and an affiliate and include expectations, estimates and projections concerning the business and operations, financial priorities and strategic plans of the combined entity. You can identify forward-looking statements by words such as "anticipate," "believe," "could," "design," "estimate," "expect," "forecast," "goal," "guidance," "imply," "intend," "may," "objective," "opportunity," "outlook," "plan," "position," "potential," "predict," "project," "prospective," "pursue," "seek," "should," "strategy," "target," "would," "will" or other similar expressions that convey the uncertainty of future events or outcomes. Such forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties and other factors, some of which are beyond the companies' control and are difficult to predict. Forward-looking statements are subject to certain risks and uncertainties that could cause actual results to differ materially from historical results and current projections or expectations. Factors that could cause the Company's actual results to differ materially from those implied in the forward-looking statements include the following: the ability to consummate the proposed transaction between the Company and its affiliate on the proposed terms and timeline; the ability to satisfy various conditions to closing of

the proposed transaction, and any conditions imposed on the combined entity in connection with the consummation of the proposed transaction; the risk that anticipated benefits of the proposed transaction may not be fully realized or may take longer to realize than expected, including whether the proposed transaction will be accretive within the expected timeframe or at all; negative capital market conditions; the ability to achieve strategic and financial objectives, including with respect to distribution coverage, future distribution levels, proposed projects and completed transactions; adverse changes in laws, including with respect to tax and regulatory matters; the adequacy of capital resources and liquidity, including, but not limited to, availability of sufficient funds to pay distributions, including the distribution to certain affiliates of the Company in connection with the transaction, and access to debt on commercially reasonable terms; and the ability to successfully execute business plans, growth strategies and self-funding models. When considering these forward-looking statements, you should keep in mind the risk factors and other cautionary statements in the Company's annual report on Form 10-K for the year ended December 31, 2018, and, if applicable, the Company's Quarterly Reports on Form 10-Q and Current Reports on Form 8-K filed by the Company with the Securities and Exchange Commission. The Company undertakes no obligation and does not intend to update these forward-looking statements to reflect events or circumstances occurring after this filing except as required by applicable law. You are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this filing.

Additional Information

In connection with the proposed transaction, a Registration Statement has been filed with the SEC. The Registration Statement was declared effective by the SEC on November 15, 2019.
